OASIS Contract Awarded to Sabre Systems, Inc.

The General Services Administration (GSA) selected Sabre Systems, Inc. as the prime contractor for the One Acquisition Solution for Integrated Services (OASIS) Small Business Contract (POOL 4) to provide flexible and innovative solutions for complex professional services. This multiple award, Indefinite Delivery Indefinite Quantity (IDIQ) is available for governmentwide use.

OASIS is designated as a “Best-In-Class” contract vehicle used by various DoD and Government agencies and allows customers direct access to Sabre. OASIS spans many areas of expertise, mission space and multiple professional service disciplines. The core disciplines/scopes of the contract include program management services, management consulting services, logistics services, engineering services, scientific services and financial services. The period of performance runs through 12/19/2024.

Sabre Systems, Inc. President and CEO, Glen Ives, stated “Our Sabre team and I could not be more excited to be part of the OASIS team and look forward to supporting our current and new mission customers on this dynamic, effective and proven contract vehicle”.
